### Stewardship Reflection: 14<sup>th</sup> Sunday in Ordinary Time (July 4)

Being able to recognize and admit our short comings is essential for us to have the strength Paul demonstrates. The reason St. Paul finds strength in his limitations is because he is aware that the Lord will provide the power needed in the midst of those deficiencies. "My grace is sufficient for you, for power is made perfect in weakness."

Living discipleship through stewardship, giving of ourselves for one another, living completely for the sake of the Gospel is countercultural. Like Ezekiel we must trust God's words. The way one can best follow stewardship as a way of life is to remember that we are not alone. Even Jesus himself dealt with opposition.

Humility is an important trait in living a life of stewardship. May we pray for the strength of God's presence and be willing to seek humility to find our personal strengths. May we continue to live our commitment to serve others as Jesus taught when he continued to bring others to his Father through acts of love even in the midst of being rejected.
