PRO LIFE CORNER

The real question today is not when human life begins, but what is the value of human life? The abortionist who reassembles the arms and legs of a tiny baby to make sure all its parts have been torn from its mother's body can hardly doubt whether it is a human being. The real question for him and for all of us is whether that tiny human life has a God-given right to be protected by law-the same right we have.

Giving and Receiving Life

The family table is a natural place to nurture life. Whether the meal consists of macaroni and cheese from a box or a thanksgiving feast, we are given the chance to restore our bodies with food. While we feed our bodies, we also feed the spirit of each member of the family as a whole. Sometime the spirit is fed by warmth that is shared over a simple bowl of soup. At other times the companionship of family around the table reassures us of our connections to each other and our fidelity to maintaining and sustaining those connections. Even if the meal is a fast food hamburger, if we gather in love we gather in name of Jesus and are reminders to each other of the life we share in the spirit.

Gospel: Pentecost Sunday

Today's gospel tells us God actually wants to take up residence in your family. "We will come and make our home with you." Every family is called to be a tabernacle where God dwells. Is Jesus a permanent member of your family or temporary guest? Today the promise is given, The choice is ours.

Please bring your **Baby Bottles** back next weekend **Saturday, June 15, or Sunday, June 16.**
