### Stewardship Reflections

#### **March 31, 2024 –Easter Sunday of the Lord’s Resurrection**

Today, we celebrate the Resurrection of Christ! This event is the greatest event in our Catholic faith. It is through the resurrection that Christ defeated sin and death and opened for us the gates to eternal life. All of God’s promises are fulfilled through this glorious event.

We have been preparing for 40 long days, through prayer and penance, so that we might be better prepared to receive Christ this day, and to better prepare our hearts to one day rise with Christ in eternal life. Today, we do not fast, but rather, celebrate and rejoice because of our great and merciful God!

The meaning and joy of Easter is not just a “one-day” affair, but is an essential element of our Catholic faith. We are called to live out the joy of Easter all year long.

Let us celebrate this glorious day with prayer and feasting, for Christ is risen! And let us strive to carry this Easter joy with us all year long by the way we live our lives and how we respond to Christ each day. Happy Easter!

MARCH 31- Many of the people who are opposed to abortion have been led to believe they should not “impose” their morality on others. Think about this: Legal abortion imposes someone’s morality upon the little babies.
