### PRO LIFE CORNER

Regarding abortion: Compassion for the mother is extremely important, but is never served through destroying the innocent, her baby. There are thousands of pregnancy care centers waiting to help.

### Life is a Miracle

Spiritual leaders teach that waking up is a process, that it doesn't just happen once and for all, but must occur again and again when we realize we have forgotten the miracle of being alive, and in recognizing our forgetfulness, we wake to the miracles once again. In the moments we are awake to the wonder of being alive, gratitude flows, no matter our circumstances.

*Every child who is born brings us God's smile and invites us to recognize that life is his gift, a gift to welcomed with love and preserved with care, always and at every moment.*
