**The Clothing Bank** which is held at the **Presbyterian Church in Mount Union** is a free children clothing bank. It is open the 2<sup>nd</sup> Saturday of the month (9:00 a.m.-10:30 a.m.). It's open to all children within the community. We are asking for your help. Please consider donating new or slightly used winter coats, boots, hats and gloves for children up to 12-14 years old. We will need these items before our November distribution November 9<sup>th</sup>. Please call Beverly Skopic at 542-8794 or Helen Westbrook at 542-8018 if you have donations. Thank you for keeping our youth warm this winter.

**Family Ritual:** Thanksgiving is a beautiful opportunity to be grateful for the blessings we have in our lives. This month, see if you can: Spend more time with family at meals and in recreation to foster family unity. Take your children to vote with you to instill in them the privilege and responsibility of citizenship. Count your blessings together as a family every night to recognize how much God has already done for you.

**STEWARDSHIP REFLECTION** The most important point about how much you choose to give of your treasure is how you reach the decision. Stewardship of treasure is about prayerful consideration. The amount you give should be an honest expression before God of who you are.

It should be an offering that opens your heart, mind and soul to God's joy and holiness. This brings genuine meaning to the word "sacrifice." We become good and faithful stewards by nurturing and sharing the unique gifts given to us by God.

### Catholic 101

Eucharist means "*thanksgiving*:"The Sacrament that celebrates the Lord's Supper is called Eucharist because it is an action of thanksgiving to God. The Greek word eucharistein means "to be thankful." It recalls the Jewish blessings that proclaim-especially during a meal-gratitude for God's works. According to the *Catechism of the Catholic Church*, the Eucharist is: "the source and summit of the Christian life." The Eucharist not only commemorates the Passion, death, and Resurrection of Christ, it makes it truly present. At the center of the Eucharistic celebration are the bread and wine that become Christ's Body and Blood through the invocation of the Holy Spirit during the Eucharistic prayer. While many Christian denominations look at the bread and wine as reminders of the Last Supper, Catholic understanding is that the symbols of bread and wine become, in a way that is beyond what we can comprehend, the actual (though not physical) Body and Blood of Christ.

### **Gospel: Luke 19:1-10**

Jesus is saying to you what he said to Zacchaeus, "I must stay at your house today." It doesn't matter if in today's gospel Jesus "intended to pass through Jericho to another town." In families we sometimes stop at the wrong places. It is wisdom to "pass through" annoying family situations so we can enjoy the goodness of each other.
