Stewardship Reflection: When we have firmly established as individuals, as a family and as a parish that we will give to God the first and best portion of our Time, Talent, and Treasure, the warnings we read in scripture today need not cause us alarm. In fact, we can receive them as encouragement, to “Keep Calm and Steward on,” no matter what comes our way.

One of the blessings of a stewardship way of life is that in challenging times whether in our homes or workplaces, or even our beloved Church itself, we can take great comfort in knowing we have a concrete plan to keep to our priorities in right order. And when we put God first in all aspects of our lives, we will experience the peace that only He can give that surpasses all understanding.

Gospel: November 14, 2021 33rd Sunday (Mark 13:24-32)

Today’s gospel teaches us UNCERTAINTY is normal. There are some things in life, which “no one knows...only the Father.” Marriage and parenting are full of uncertainty for like the fig trees in the gospel, the people we love grow and change.

Prolife: November 14,

2021- Abortion is an atrocity. Those who practice or praise it are misguided fools, or treacherous devils. Pray that soon abortion and euthanasia will be a thing of the past.
