November 19, 2023

Today's readings challenge us to live not for the 'here and now', but rather with eternity in mind. We are reminded that we will be called one day to give an account for the gifts God has given us-our physical, intellectual and material gifts-as well as the gift of time itself. We must examine our lives to determine whether we are making the best use of our gifts with the time we have been given to use them.

Let us embrace the stewardship way of life, using all the gifts entrusted to us-Time, Talent and Treasure-in such a way that at the end of our life on this earth, we will hear those words from our Father:"Well done, my good and faithful servant...Come, share your master's joy."
