**Stewardship Reflection:** This feast is needed more than ever for all people and especially as the Christian stewards we claim to be, in the year 2021. It reminds us of three vital truths. **First**, even when it seems the world is spinning out of control, we need not fear because we have a King of kings who is very much in charge and who is loving, merciful and just. **Second**, if Christ is king of all, then He is also king of me, personally. I am not “lord” of my time, talents, and treasure. He is. **Third**, as His disciple, I am called to imitate my King. Christ’s kingship is characterized by humble services, by emptying Himself for the good of others.

The Scriptures tell us He went about doing good and He says of Himself, “I came not to be served but to serve.” How can I live in any other way than as a humble servant like my King?

### Good Manners

“Today, we rarely practice good manners...When we neglect to require our children to say *thank you* when someone gives them a gift or does something for them, we are raising ungrateful children who are highly unlikely to be happy. Without gratitude, happiness is a rare thing. With gratitude, the odds go up dramatically that happiness will be the result.”

### **DEPRESSED OR ANXIOUS? NEED SOME HELP AND SUPPORT?**

OUR LORD JESUS CHRIST KING OF THE UNIVERSE NOVEMBER 21, 2021

**SANCTUARY CANDLE:**  
The Sanctuary Candle acknowledging The Real Presence of Christ in the tabernacle is burning this week in loving memory of **Poor Souls**

**COLLECTION COUNTING SCHEDULE for:**  
**Sunday, November 21, 2021:** Will Crouse  
**Sunday, November 28, 2021:** Mary Secrest

### **Gospel: November 21, 2021 (John 18:33-37)**

When we are young, our parents “tell us about Jesus” and we believe what our parents believe. At some point, we must leave our parents faith and ask Pilate’s question: “are you the King?” Pilate is just asking these questions on our behalf.

### **Prolife: November 21, 2021-**

It is a characteristic of any decaying civilization that the great masses of the people are unconscious of the tragedy. Humanity in a crisis is generally insensitive to the gravity of the times in which it lives. People do not want to believe their own times are wicked, partly because it involves too much self-accusation and principally because they have no standards outside of themselves by which to measure their times.

**Birthdays** Judy Burdge, Michele Huntsman
