Stewardship Reflection: In Biblical times when there was no life insurance or Social Security, the widows we hear about today seemed weak and dependent on others to take care of them. Yet, each demonstrated strength and generosity that distinguished them from others. Where did this demonstrated strength and generosity that distinguished them from others. Where did this strength come? It came from knowing who they are and *Whose* they are. Their security came from knowing they were daughters of the Most High God and they had put their faith in Him. Their faith allowed them to be brave and generous, to think of others despite their own trials.

These women saw themselves as stewards, not owners, of the resources God gave them, regardless of how much or how little they had. And acting as stewards made them gracious, generous and mighty indeed. Pray to act as they did.
