### Stewardship Reflections

October 12, 2025

28<sup>th</sup> Sunday in Ordinary Time

Gratitude is the key to a stewardship way of life. Today's readings demonstrate the power and vital importance of gratitude in the life of the Christian disciple, for gratitude leads us to worship God who offers us salvation.

The truth is that our very lives and every breath we take are His gifts to us. But we can get so caught up in the stresses and distractions of daily life that we lose touch with this truth. Gratitude begins within our minds and hearts when we take the time to recognize how blessed we truly are and when we have the humility to recognize where these blessings come from - our merciful and loving God.

The Samaritan from our Gospel today reacts to his gift of healing in much the same way as Namaan from our First Reading, and demonstrates the proper response to our loving God. Recognizing what he had just received from the Lord, he "returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked Him." He was grateful for what God had done for him and this gratitude led to worship.

### ProLife

**October 12** -Assisted suicide means administering lethal overdoses or otherwise causing to die those whose lives are judged useless or lacking in quality. Life must be valued from conception to natural death.

**October 12, 2025 Twenty-Eighth Sunday (LK 17:11-19)** Everyone needs "A Round Tuit." The lepers in today's gospel probably meant to thank Jesus. Excited about being cured they didn't get 'around -to-it.' We get caught up in our own interests and fail to appreciate what we have or to say what is in our hearts. This week get yourself "A Round Tuit."
