### Stewardship Reflections

October 5, 2025

#### 27<sup>th</sup> Sunday in Ordinary Time

Our readings today show us that living a stewardship way of life – that is, a life focused on serving God and His Kingdom – is not easy. They also show us that our lives belong to God, not to us and that God will indeed bring about the fulfillment of His kingdom. We just need to have faith that He can do it and commit to our small part in His grand design.

Living our lives in His service is very much our responsibility, as Jesus explains through the parable of the unprofitable servant. Our Lord describes a scene in which a servant has just come in from tending to the master's affairs and asks whether it would be reasonable for the master to begin waiting on his servant. Of course it would not be reasonable. The servant would be expected to continue to serve his master until he has completed the work the master has given him that day. Jesus says we should have this same attitude before God. The time, talents, and treasure entrusted to us are all God's. Our very lives belong to God. Whatever we do on God's behalf with our lives and gifts is imply our God-given responsibility.

The stewardship way of life makes the privilege and responsibility of serving Christ and His kingdom a reality.
