LEAD WITH HEART: “The word encouragement has its root in the Latin word *cor*, meaning ‘heart’. When leaders encourage others, though recognition and celebration, they inspire them with courage- with heart. When we encourage others, we give them heart. And when we give heart to others, we give love.”

STEWARDSHIP REFLECTION Christian Stewards view their possessions as gifts that are meant to build God's kingdom here on earth. We are challenged to use our resources to reach out to others and build God's kingdom of love, justice and peace. We are urged to be intentional about our faith and not let habitual relationships or ways of living hold us back from being a faithful Christian.

Could any one of us renounce all our earthly possessions as a steward and disciple? How can we take steps towards living this vision? Look for ways to become more involved in your parish community.

Family Ritual

Mary's Birthday- September 8

Celebrating birthdays show how special we each are. Celebrate Mary's day by everyone wearing something blue. Hold hands and pray a "Hail Mary" together.

Dare to be Different

"Dare to be different; life is so full Of people who follow the same push and pull. Poor, plodding people who, other than name, Try to pretend they're exactly the same.

God made us different; there never will be, A replica soul of you or me. The charm, the glory of all creation Rests on this very deviation.

Your charm, your own glory, too. Lies in being uniquely you- Lies in being true to your best, That part of you different than all the rest."

SANCTUARY CANDLE:
The Sanctuary Candle acknowledging The Real Presence of Christ in the tabernacle is burning this week in loving memory of **Poor Souls**

Gospel: Lk 14: 25-33

Today's gospel speaks about a king and a builder who failed to plan properly; one met with ridicule and the other met defeat. Don't fall in the important relationships in your life. Commit yourself to them. Don't leave it to chance. What specific steps can you take to enhance those relationships? When we fail to plan, we plan to fail.

PRO LIFE CORNER

We taxpayers have a right to know that our tax dollars are being used to abort babies, and these babies body parts are being sold for medical experiments and profit. Cell lines from these babies end up in many vaccines. This hideous practice must be stopped. Our future as a nation depends on it.

Birthdays Heather Snair, Jean DeVecchis, Lincoln Miller.
